In response to the Request for Reconsideration filed November 14, 2005

Reasons for Allowance

1. The following is an examiner's statement of reasons for allowance:
 - a. Claims 1 - 53 are allowable over the Prior Art of Record because it fails to teach or suggest an image forming apparatus comprising a cassette that is accommodated at the cassette accommodating portion and is movable relative to the main body between a first position and a second position, wherein the cassette further comprises a cover portion that conceals the first opening when the cassette is at the first position in combination with the remaining limitations of the claims.
 - b. Claim 54 is allowable over the Prior Art of Record because it fails to teach or suggest an image forming apparatus comprising a cassette that is movable between a first position and a second position relative to the second opening of the main body, wherein an outer wall of the cassette conceals the first opening when the cassette is at the first position in combination with the remaining limitations of the claims.

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
